

12th Annual Music Trivia Night

The Little Bit Foundation

February 19, 2022

Dear Friend,

After over a year of uncertainty and virtual events, our beloved Music Trivia event will be held IN-PERSON in February of 2022! While we will still take the correct precautions and guidelines to keep our guests safe, we are ecstatic that this annual tradition is continuing and we can once again see your amazing dance moves in-person! The event routinely draws in hundreds of supporters for a music and fun-filled evening like no other.

You can be part of bringing Music Trivia back to life through a sponsorship for the event or a donation for our silent auction. More importantly, your support helps sustain and further a mission that is reaching 14,000 students in 42 schools throughout St. Louis. Details are enclosed.

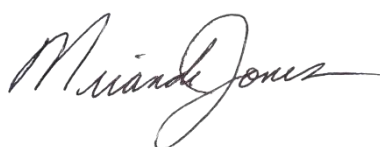

Since our inception in 2001, The Little Bit Foundation has impacted 40,000 students in underserved communities of St. Louis with programs and partnerships that address basic needs, improve self-esteem and enrich the learning environment. Our vision is to see every student we serve graduate and go on to become productive, successful members of a stronger St. Louis region. Throughout the COVID-19 pandemic, Little Bit modified our programs to reach students learning virtually and meet those families with the greatest need through new programs like Feeding Hope. Today, we are thrilled to be back in Riverview Gardens schools in person and plan to be in person in ALL schools in January. We continue to bring tutoring and other much-needed supports to our students in light of the challenges faced from COVID.

We invite you to partner with us in supporting students' educational journey and the fulfillment of their dreams.

Sincerely,

Helen Carey
